

Appl. No. 10/692,359  
Amdt. dated June 15, 2005  
Responsive to Office Action dated December 15, 2004

### REMARKS/ARGUMENTS

Claims 1-15 are pending in the application. Reconsideration and reexamination of the application are respectfully requested.

#### **In the Claims:**

Claims 1-12 and 14 are indicated to be allowable.

Claims 13 and 15 are objected to under 37 CFR 1.75(c), as being of improper dependent form. Claims 13 and 15 are method claims improperly dependent from apparatus claims. Herein, the applicant has attempted to amend claims 13 and 15 as suggested by the Examiner.

Claim 13 is placed in independent form and limitations to "providing components for assembly . . ." have been added.

Claim 15 is placed in independent form by deleting "according to claim 1" from the preamble.

The Applicant thanks the Examiner for the indication of allowable claims and for his suggestions on how to amend claims 13 and 15.

Respectfully submitted,

Michael P. Leary
